6 Staircase Landings That Have Been Transformed into Cute and Cozy Nooks

These homes really make the most of small spaces.

Staircase landings can be awkwardly shaped and sized, but that doesn't mean you can't find a use for them! An armchair, an area rug and a side table is often all you need to turn these often overlooked spaces into something magical. Exhibit A (and B and C and D and so on): these homes from the WL archives.
